BHFS Volunteer Spotlight: Kitchen Songs with Guy Kaplan

Our long-time BHFS member Guy Kaplan has not only served as a volunteer on our board as VP, President, and Communication Coordinator, but has also run sound at many concerts, volunteered to introduce performers, and just been an all-around fun “guy”! He has been a staple at *Pickin’ at the Post* and *Jam at the Dam*, and is always willing to lend a helping hand or a song or a story or an interesting tidbit.

During this very different spring/summer, we have been enamored with Guy’s live music every day at 9:00 am on Facebook Live! He picks six or seven songs (to which you can probably sing/play along) and enjoys a bit of his morning with you, live, from his kitchen. What a great tribute to folk music using today’s innovative technology!

If you would like to join Guy, please go to our facebook page at facebook.com/BlackHawkFolk and tune in! You can view past recordings on YouTube by going to www.youtube.com and searching for, “Guy Kaplan Kitchen.”

Have a computer or smart phone?
You can join “Kitchen Songs with Guy Kaplan” every morning at 9:00 am!

BHFS Helps Keep the Music Going in Central Wisconsin!

We know you are doing everything you can to slow the spread of the coronavirus, and so are we - that’s why Black Hawk Folk Society in-person concerts (and our July festival) have been canceled into the foreseeable future. Not to fret though, because BHFS board and committee members met to discuss how we can keep the music going! We are offering online concerts to make sure you are still able to enjoy some great professional

music this summer (check out the fantastic musicians listed on the flip side of this page)!

BHFS met online to discuss our options! (L to R starting at the top): Betty Trowbridge and Paul Hagan, Amy Kowalski, Tom Barrett, Guy Kaplan, Pat Connolly, Joanne Hesselink, Vicki Duhr and Felix Schultz, Judy Van Schoyck-Fritschler

Dar Williams says of **Katie Dahl**, “[her] songs aren’t just melodies and words, they’re journeys that are firmly grounded in a sense of place—beautiful, real landscapes that help you feel places that you may have never been before. That’s the very best kind of songwriting.”
